

# CUCLeD

## 2nd CUCLeD Conference

COVENANT UNIVERSITY CONFERENCE ON  
LEADERSHIP AND DEVELOPMENT (CUCLeD)

### CALL FOR PAPERS

THEME:

# INTEGRATING TECHNOLOGY, LEADERSHIP, AND INNOVATION FOR AFRICA'S DEVELOPMENT

Covenant University is pleased to announce the 2nd edition of its Conference on Leadership and Development, which seeks to explore the intersection of technology, leadership, and innovation in shaping Africa's developmental trajectory. Scholars, policymakers, industry leaders, and students are invited to contribute to this thought-provoking discourse by submitting original research, case studies, and policy analyses.

The conference aims to foster interdisciplinary dialogue and actionable insights under the following broad sub-themes:

SUB-THEMES:

#### Technological Advancements and Leadership in Africa

- Digital transformation and governance
- Emerging technologies and their role in socio-economic development

#### Innovation and Entrepreneurship for Sustainable Development

- Start-ups and innovation ecosystems
- Financing innovation in Africa

#### Education, Leadership, and Technological Integration

- Transforming education systems with technology
- Leadership for future-ready education

#### Health Systems and Technological Solutions

- E-health and telemedicine innovations
- Leadership in managing pandemics and public health

#### challenges

#### Policy, Leadership, and Technology Governance

- Regulatory frameworks for technology adoption
- Ethical leadership in technological advancements

#### Climate Change, Sustainability, and Technological Interventions

- Green technologies and renewable energy
- Leadership for climate action and sustainable urbanization

#### Cultural Dynamics, Leadership, and Technology

- Preserving cultural heritage through technology
- Leadership in navigating cultural and technological convergence
